PACEMAKER DEDICATION

Judy Varner

Mrs. Reagan accepts her Pacemaker

The 1963 Pacemaker was dedicated to Mrs. Theresa Reagan. Judy Varner, editor-in-chief, presented the annual to the student body at the Pacemaker assembly this year. Staff editors spoke about the changes that they made and new editors were named. Judy Wright will be editor-in-chief of the 1964 Pacemaker.

Now all you have to do—

G.A.A. CHILI SUPPER

The 1963 G.A.A. chili supper was held in February. Initiates were required to participate in a skit, organized by the juniors who were members. Each class contributed something to the supper which was attended by invited women faculty.

Right this way.

Just keep going.

The G.A.A. initiation begins!

OF THE

MONTH

LEADERSHIP

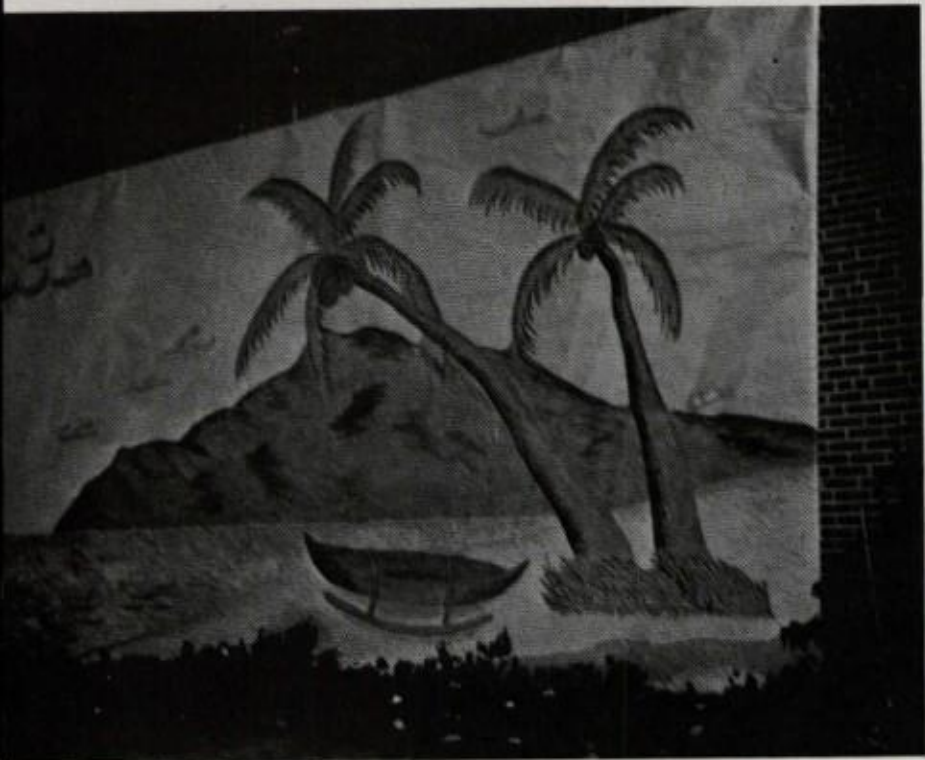

DEDICATION

ACHIEVEMENT

The Junior-Senior Prom was held May 4th at 6:30 P.M. in the gym. The theme was "Polynesian Paradise" which was carried out very well by the decorations. A large grass hut served as the entrance to the gym and another one sheltered the band, the "Lamplighters." A large mural at one end of the gym, with mountains, ocean and palm trees, provided an appropriate background for the entertainment at intermission. The Morgan High Singers sang various selections from "South Pacific" and Toen, our exchange student from Indonesia, did two of her native dances. Intermission was followed by the Grand March and dancing until 12:30.

JUNIOR-SENIOR PROM

This South Sea mural painted by the decorating committee is an example of the hard work done by all juniors.

The theme of our prom "Polynesain Paradise."

The Morgan High Singers provided entertainment with selections from "South Pacific."

One of the main attractions was this mountain and its real waterfall.

I think Judy has me fit in the plot too.

Smoke?

You will have her home by 10 won't you?

Oh, you rate that was my ace!

You weren't so hot then, J. B.

Harry, what would I do without you?

I just wanted to say goodbye for 10 minutes!

TEACHING STAFF INSPIRES STUDENT BODY

SUPERINTENDENT'S MESSAGE

MR. B. A. KAMMER
Superintendent of Schools

It has become exceedingly apparent that the world of tomorrow will be by far more competitive than any previous time in history. A happy life will be greatly dependent upon the quality and amount of training received prior to adulthood. Our local schools have contributed much to the fulfillment of this requirement for happy living . . . Institutions of higher learning, if attended, will also contribute toward this end.

Training alone, however, can be only an aid to future success and happiness. What about your innermost feelings? They too tell a story. Are you going to be strong in the face of a challenge? Are you going to pick worthwhile goals? Are you going to choose goals commensurate with your abilities? Are you going to be determined to succeed? If you can give an affirmative answer to these questions, you will be competitive and happiness should be yours.

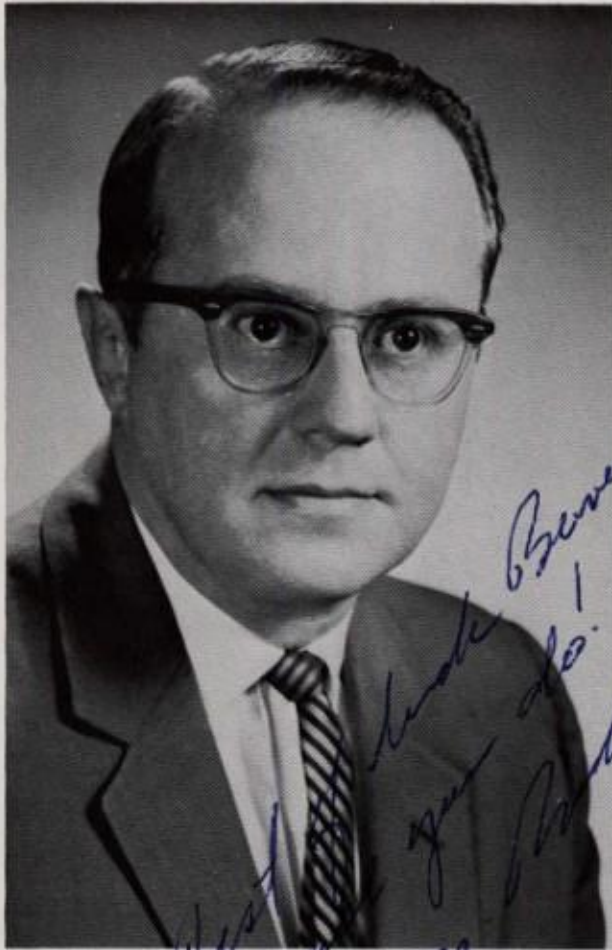

This is our wish for you in the exciting world of tomorrow. The wish that success and happiness comes your way and it will if you reach for it.

PRINCIPAL'S MESSAGE

T. F. ROCKAFELLOW
Principal

This message is primarily directed to the reader of this annual in the year of 1983—to those who graduated in the year of 1963. Twenty years will have elapsed since your graduation, and this annual is a record of the four years you spent at Fort Morgan High School. Each page is full of reminders, of friends, of moments of great fun and those of great joy. You will probably laugh, or at least chuckle, as you turn these pages and possibly even a tear of remembrance will come to you.

Whatever your reaction is in 1983 it certainly will be one of fond memories, in the main, for you and your high school friends, no matter how widely separated today, in 1983, have one thing in common—you each helped make those years pleasant and rewarding. This book is a book of memories, and after you have dusted it off, sit back and reflect with care and relish each memory. This book is truly designed with you and your future in mind—not as a keepsake but as a reminder of school, of youth, and of your relatively carefree days!

CLASS HISTORY

We, the seniors of 1963, are filled with mixed emotions as we look back over the four years of happiness, heartache, hard work, and hearty fun. Now as they are coming to an end, we are filled with excitement for what lies ahead.

We remember our first impressing experience when we were freshmen, and how excited and afraid we were. But soon we found our place and began making many friends. We chose Dennis Belau to lead us as we began our long lists of accomplishments.

As sophomores, we were guided through a successful year under the leadership of Sara Schroeder. Our main activity was our sock hop, "Beatnik Bounce," which was a big success. The year came to a close with many of the Sophomores serving as waiters and waitresses at the Junior-Senior Prom. We decorated the stage for Baccalaureate as our final activity.

Then came our Junior year! Dick Yearous was elected to lead us through a most difficult year for us. The class play, "Our Town," was our first adventure on stage. The play brought in the necessary finances for the biggest occasion of the year, the Junior-Senior Prom. A romantic Japanese garden, two huge fire-blowing dragons, a colorful pagoda, a teahouse and a large buddha set the scene for our "Shangri-La." The highlight of the evening was the announcement of student body officers. Richard Bowles was greatly honored when he was named Student Body President. Other officers from our class were Martin English, Vice-President; and Sharon Hoffman, Secretary.

Now, as seniors under the leadership of Dennis Belau, we have found this to be our happiest, busiest, and most profitable year. We are looking forward to the fun and solemnity of Baccalaureate, Class Day, and Commencement.

Though other nights and other days will find us gone our separate ways, we shall never forget those wonderful and eventful years.

STUDENT COUNCIL

Popcorn committee in action.

Student Council sponsors many activities each year for the benefit of the student body. Some of these were the halloween dance, the Christmas party, operating the P.X., selling popcorn for all home athletic events and presenting the all school show "Sagebrush Saga."

Since leadership is a prime consideration of Council, two separate leadership conferences were held—one in Estes Park before fall term began and one for the organization officers in the month of November.

Maroon Tough,

Although the Maroons were successful in their game against Loveland, the Maroons had a rough game Saturday night 42-5 to the A squad the B squad.

As predicted, Lampe, the Indian, was tough in all classes. The lone victory in the A squad match was made by Larry Ruibal in the match.

Ruibal and Carl Comer were named outstanding wrestlers for the Maroons, Ruibal winning by decision, and Comer stayed a rough opponent for a draw in his class.

The wrestlers hope to reverse their trend tonight off against the

The Maroons had points which were due to their loss to Boulder the night before. Sure passes and a definite pattern of play plus the efforts of Maroon Dennis Belau in his 25-point scoring spree made the difference between victory and defeat for the Maroons.

The Maroons are traveling to Sterling tonight, hoping to make it two in a row.

Varsity wrestling results with Bombers Keep in Spirit of Things

Varsity won their game against the Loveland B squad in the final minutes of the contest by a score of 44-41.

Fred Searle, with 10 points for the Maroons, won the game for the Maroons with a barrage of free throws in the last half minute for the 44-41 decision. This was clouded, however by Searle fouling out just as he finished putting the game on ice.

The spirit found in the varsity match was also evident in the juniors also as the big men for the Bombers, Terry Vaughn, Mike Schneider, and Searle controlled the boards almost continually in

The Homecoming festivities began with a huge bonfire and burning of a Trojan dummy. The student body was led in cheers at the football field by the cheerleaders, and the M-club boys led the snake-dance downtown.

Friday night, despite the rain, the Maroon football team played a spirited game and the pep-club and townspeople cheered them on. The queen candidates were presented at half-time.

Theme of the 1962 Homecoming Dance was "Autumn Interlude." Music was provided by the "Continental" of Brighton. During intermission Barbara Conley was crowned queen, and Pat Brown, Judy Carruth, the Morgan High Singers and Joyce Buxman provided entertainment.

The spirits of MAROON followers were lifted January 12 with the stupendous victory over Loveland, 65-48, which ended a twenty league game losing streak for the MAROONS. The following week the MAROONS stayed in pace by defeating Sterling 62-55 on their home court.

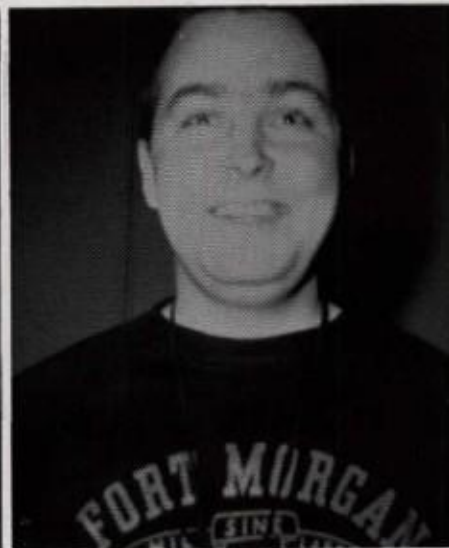

A loss to the Lambkins was a heartbreaking one, for the MAROONS had hovered on the verge of a mighty upset during the fourth quarter, but fell before a last minute surge by Ft. Collins to lose 57-55.

Mr. Marrs and his boys have proven that a conscientious effort will eventually pay off, and it certainly did for the MAROONS.
